## *White Wolf Message*

The White Wolf guides you on your inner path.

Listen to your instincts, move forward with confidence, and honor the light that shines within you.

Every step, even in silence, is a step toward your renewal.

May its wisdom remind you that you are protected, guided, and capable of following your heart with courage and gentleness. ✨

### *How to use :*

- Place the card on your desk, in your journal, or your sacred space.
- In the morning, take a few moments to look at it.
- Breathe deeply 2-3 times and read the message slowly, letting the words resonate within you.
- You can write down a simple intention or action for the day to stay aligned with this message.
